Potential Service Delays due to today's visit by Vice President Pence

NASHVILLE – Please be advised that on Monday, October 7, some routes operating in the area of the Nashville International Airport and Donelson, and in Madison and Rivergate may be impacted this afternoon due to road closures associated with a scheduled visit to Nashville by Vice President Pence.

We will notify riders of changes in expected delays via the WeGo Transit Facebook and Twitter channels, as well as our email list and website.

We apologize for any inconvenience this may cause in your afternoon commute and appreciate your patience in these extenuating circumstances. We will work to resume normal service as quickly and safely as we are able.
