### **Titans, WeGo partner to offer Titans Express** *Tickets for special event train now on sale*

**NASHVILLE** – The Tennessee Titans and WeGo are partnering to offer the most convenient and comfortable ride to and from home games with the Titans Express.

The special event train will operate for all Tennessee Titans regular season home games, beginning with the September 12 game against the Arizona Cardinals. Service begins in Lebanon with stops in Hamilton Springs, Martha, Mt. Juliet, Hermitage, and Donelson before arriving in downtown Nashville approximately one hour before kickoff. The return train to Lebanon leaves Riverfront Station 45 minutes after the game ends.

Tickets for the September 12 and 26 games are on sale now. Tickets for the remaining games in October, November, December, and January will be available for purchase approximately three weeks prior to each game.

Round-trip train tickets are \$15 each plus a \$2 processing fee. Children age 4 and younger will not need a ticket to board; however, they are required to sit in a parent's lap. Tickets must be purchased at least one hour in advance of the train departing at [TicketsNashville.com](https://www.ticketsnashville.com). Tickets are not available for purchase on the train on game days. Weekday Star tickets and passes are not valid on the Titans Express train.

Parking is free at all outlying stations and passengers may tailgate at the outlying train stations prior to the game as well as on the train. In addition, they may bring small coolers onboard and leave them on the train upon arrival at Riverfront Station. Please note, WeGo and train staff are not responsible for any items left on the train. Masks are required onboard the train.
